**A guide for play and learning  
in the Museum...**

## Woods

**children's  
museum  
of Tacoma**

# Passport Invitation

Use your passport to find all the animals friends hiding in the Woods and learn the names of each animal in English and Spanish.

## Significance

Looking for the animals promotes the skills of observation and persistence. Our brains make connections between the English and Spanish names for each animal as we say them out loud together.

For more detailed information about the play and learning in Woods, check out: [PlayTacoma.org/Learn](http://PlayTacoma.org/Learn).
